## GIN TONICS

### PREMIUM GIN FROM SPAIN

*served in a traditional balloon glass*

When you think of an iconic drink from Spain, sangría might come to mind but over the last five years, Spain has now become Europe's largest gin consumer. Gin Tonic as we call it in Spain is now primarily consumed as a night-time bar drink and increasingly, as an accompaniment to tapas. The following gins are a selection of our favourite Spanish distilleries who use fresh regional botanicals to produce a fine aromatic spirit that can be enjoyed with a good quality tonic water.
